Tollis Enterprises, Inc.
319 Whispering Pines
Bradenton, FL 34212

Dear David,

Thank you for your recent in-kind gift of six new permit boxes to Manatee County Habitat for Humanity to use on our jobsites. Your donation will help us build affordable, sustainable housing in our community.

Bruce Winter, Construction Director offers this comment about your generous gift, "we have been using Tollis Enterprises Permit Boxes for about 13 years now and wouldn't think of using any other. The design of the slide-up lid is the best I have seen and keeps paperwork dry even through hurricanes. They also provide one point on most green build certification programs for their use of recycled materials. We would not use any other box."

Thanks for your support of our work and I will keep you updated on progress. Please make your calendar for our Open House Friday, Sept. 20 from 4pm – 6pm here at our new office. I hope to see you there!

With gratitude,

A handwritten signature in black ink that reads "Diana Shoemaker".

Diana Shoemaker, CEO

Tomacita Luna and her son Danny at their home dedication ceremony on May 18, 2019 in Palmetto.

P. S. WE'VE MOVED! Please note our new address below and stop by our Open House on Friday, Sept. 20th. We are on the second floor of Bank OZK and would be delighted see you.
